Re: Chelan Airport Budget

Please find attached the proposed Chelan Airport Budget for 2022. Also attached is my suggested input. The key aspect missing in the proposed budget is proceeding with the Environmental Assessment. This needs to be completed before any projects listed in the Airport Master Plan can proceed.

As it relates to this year's current budget, the City had previously requested contributions of \$1,000 for security cameras and \$1,350 to help offset the local cost share requirement of the Airport Master Plan. Both requests seem reasonable in my view.

I am also recommending we proceed with an Aircraft Counter System like the one we recently installed at Pangborn Airport.

# Regional Port Input 2022 Chelan Airport Budget

Regional Port M&O Contribution (per JOA)

\$46,191.72

# **Capital Contribution**

• Fuel Terminal Upgrades

\$ 5,000.00

Regional Port will provide a dollar for dollar match with the City, not to exceed \$5,000.00

Total:

\$51,191.72

# Note:

Regional Port feels strongly that we must proceed in 2022 with the required Environmental Assessment (EA) work associated with the projects listed in the Airport's Master Plan. We ask the City to take the following actions:

- Obtain a cost estimate from JUB Engineers to perform the EA.
- Apply for an FAA Grant to fund 90% of the EA costs.
- Apply for a WSDOT Aviation Grant to fund 5% of the costs.
- City of Chelan & Regional Port each contribute 2.5% match.

We cannot execute any of the Master Plan projects without completing the EA. The Regional Port also agrees with the Mayor that multiple phasing of the runway improvements over time is not the best approach. It would be more cost effective to reduce the number of phases.

# **Aircraft Operations Report**

The Regional Port is willing to install and pay for an Aircraft Counter System in fiscal year 2022. We just installed one at Pangborn Airport and believe the data collected is beneficial. It may help us convince the FAA to fund the Chelan Airport runway improvements sooner.

The Regional Port will pay the monthly subscription fee of \$400.00. We ask the City of Chelan to pay for the electrical supply feed and monthly power bill. We also request the City supply an internet connection and pay the monthly internet fee. If this information proves to be beneficial, the City & Port can share the \$400.00 per month subscription fee starting in 2023.
